
So much more than a score.

You're taking the PSAT 10 this spring. Make sure you take advantage of these benefits to develop your personal path to college.

Here's what the PSAT™ 10 can do for you:

Connects You to Scholarships

The PSAT 10 connects you to our scholarship partners, who offer over \$220 million annually* in scholarships to qualified low-income and minority students. Just remember to check "Yes" for the Student Search Service® question on your answer sheet, so that scholarship providers can find you.

Gets You Free, Personalized SAT Practice

Taking the PSAT 10 itself is a great way to practice and get familiar with the format of the SAT®. However, your scores can unlock an even more valuable tool: your 100% free SAT study plan, customized for you at Official SAT Practice on Khan Academy®.

Gives You AP Course Recommendations

Your score report will suggest AP® courses that are a great match for you. Taking AP classes can help you in the admission process, and you may also be able to earn college credit, placement, or both and save on tuition.

*This is the dollar amount of scholarships as of January 2018.
