SAT Request to Cancel Test Scores

Fax: 610-290-8978

Use this form only if you wish to cancel scores for the SAT® or SAT Subject Tests™.

Complete this form and give it to the associate supervisor before you leave the testing room. You may cancel scores after you leave, but your request must be received no later than 11:59 p.m. U.S. ET on the fourth business day following your test day. Confirm the deadline that applies to you with your supervisor.

Completing and submitting this form will cancel ALL scores for ALL tests taken on the day in question, except in the case of equipment failure. If your calculator or CD player malfunctions, you will be allowed to cancel scores for the one SAT Subject Test that requires the equipment. You must have communicated the equipment failure to the associate supervisor during the actual test, not afterwards.

Once we receive your cancellation request, we cannot reinstate your scores, and they will not be reported to you or to your designated institutions.
