

# SAT School Day: A Better Place and Time for Testing

GIVE YOUR TEEN THE SAT ADVANTAGE

The SAT® is accepted at all U.S. colleges; it measures what students are learning in high school, and what they need to know to succeed in college and career. Now, SAT School Day gives them the opportunity to take the SAT at their own school on a weekday with:

## LESS STRESS AND FATIGUE

Students test in a place they know—better rested and prepared.

## CONVENIENT LOGISTICS

You don't have to worry about locating or getting to the testing site.

## NO WEEKEND CONFLICTS

School day testing won't disrupt weekend plans or family time.

Nothing builds confidence like practice. Students can access free, personalized SAT test prep on Khan Academy® to help them score their very best!

SAT School Day is available this fall. Learn more!
